

# **EYFS, Year 1 and Year 2 Easter Activity Ideas**

**W/C 6.4.2020 & 13.4.2020**

Dear Children,

It's now been 2 weeks since we last saw you all in school. We have really missed you and hope that you are all well and enjoying spending time at home.

The next two weeks would have been the Easter holidays. Instead of sending you some school things to be practising, we thought it would be fun to try out something a bit different.

On the next slide you will find a board filled with ideas of different things you could try out by yourself or with members of your family.

Please don't feel like you have to do any of these, but if you do have time and if you want to, we'd love you to have a go at some. The most important thing is to have fun, be creative, be active and enjoy being with your family over Easter.

We'll be in touch again soon but until then, have a lovely Easter and enjoy those Easter Eggs!
