A message from the Head of School...

Dear Parents and Carers,

It has been so nice to finally meet all the children and see them settled in school enjoying their learning! I have been trying my hardest to learn lots of new names from nursery to year 6. When children stop to talk to me or share their wonderful work, they always leave me feeling so proud to be their head teacher. I often ask children to, "Tell me one good thing about our school." The responses vary from age to age but one particular year 6 child simply said, "Everything!" raised his arms wide, smiled and continued down the corridor.

I would also like to thank all the children for trying their hardest with getting back into the school routine and showing that they are ready to learn. The behaviour in school has been very positive and this has been reflected in the work that has been produced and shared with myself.

I would like to say a huge thank you to all our parents and carers who have shown support, patience and understanding whilst we have improved our drop off and pick up procedures. I fully appreciate any inconvenience that this may have caused but whilst we are still adhering to our School's Covid Risk Assessment we must continue to socially distance, wear face coverings and ensure that we are doing everything that is possible to minimise the risk of infection.

Mrs Malster-Hinett
