A message from the Head of School...

Dear Parents and Carers,

The children have had an extremely busy week with their learning this week. They have enjoyed learning about Mental Health and how nature can help them feel better. There have been some great acrostic poems about nature produced by year 2:

Mrs Malster-Hinett

Super Wow Children!

The following children have been incredible! They have tried their hardest - Well done everyone!

Learners' of the week

Face Coverings

Please can I remind all parents/carers that whilst our school's Covid risk assessment is still in place - we need to continue to keep everyone safe by wearing face coverings and remembering to social distance. Hopefully, we will soon all be back to normality!

School Photos

Individual school photos will take place on Monday 28th June. More information will be shared closer to the time.

Thank you!

Christian Aid Week

This week has been Christian Aid week and children across the country have all been invited to write a 'letter for creation'. The aim of the letters is to persuade world leaders to act now in order to protect against climate change. These letters could even be read by politicians and church leaders from across the globe at the next climate change summit in the Autumn!

Across the school, our children have been busy learning about climate change and what small steps can be done to make a positive impact upon the globe. The letters written have taken the form of poetry, persuasive speeches, posters and artwork. Take a look at our gallery below:

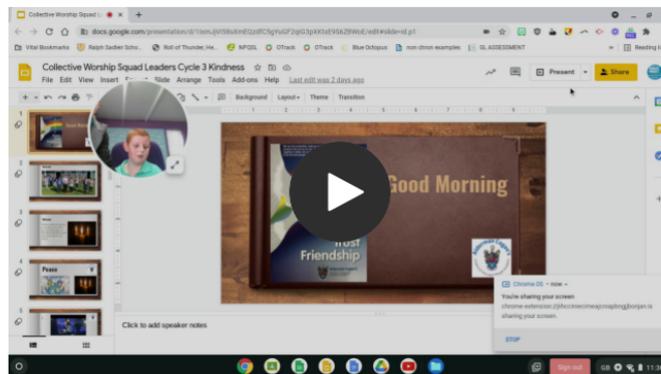

Collective Worship

The Worship Squad led their first collective worship for the whole school! This is an amazing achievement and I know that all the children felt so proud. They are very excited for next week, where they will deliver their second worship.

A Prayer from children in Year 2S

Dear God

We are very thankful and grateful for the homes we live in and the delicious food we have to eat.

We are sorry for those who are less fortunate than us but we are so thankful for Christian Aid and the hard work they do.

Please help them to carry on with their hard work and help many more people.

Amen

A Prayer from children in Year 2B

Dear Lord,

Thank you for our precious world and all the amazing places.

Thank you for all the amazing creatures.

We are sorry for not looking after things as carefully as we should.

Please help us to look after the world and help Christian Aid support the people who need it.

Amen

F2's Sponsored bike and scooter ride

We would like to thank all the parents in F2 for bringing in their own bikes and scooters from home to enable us to complete our sponsored cycle.

We are overwhelmed with the generosity and dedication of all the parents in F2 for taking time out to raise and donate money for the Foundation Stage environment.

The money raised will help to go towards buying equipment for our outdoor area.

Many Thanks,

The F2 Team
