### A message from the Head of School...

Dear Parents and Carers,

After a long weekend all the children have returned with lots of energy and enthusiasm. They have worked so hard and produced work that they are proud of. I really enjoy asking the children what they have been learning and what it is they like about being at school. Please continue to use our Curriculum Newsletter to discuss at home what your child / children have been learning about this week.

### NSPCC Number day

The children have had a great day raising money for those children in need by participating in fun maths activities and games. Your donations today will help the NSPCC in ensuring that every child has a safe and happy childhood.

Have a lovely weekend everyone.

Mrs Malster-Hinett

# Collective Worship

Alderman Cogan Church of England Primary Academy have recently recruited 12 children to take on the role of a Worship Squad leader. Over a hundred application forms were submitted with children of all ages expressing their interest and sharing why they would be a strong candidate to withhold the position. Today's Worship Squad Leader activity was to share stories from the Bible with younger children. In addition to this the Worship Squad Leaders have ensured that all children have a Bible each so that they can use them during the daily collective worships.

### A Prayer from children in Year 3

Dear Lord,

From the tiny hard working insect to the huge air filtering tree, we give thanks for our wonderful world and all of the species we share it with.

Help us all to look after our precious planet and treasure all of the natural things within it. In playing our part in looking after our world we ask that you help us to aim high and guide us to make careful choices in our lives that enable us to sustain a clean, safe, attractive place to live, now and for future generations to come.

Amen
