A message from the Head of School...

Dear Parents and Carers,

The weather has finally changed and just in time for half term. Over the last seven weeks, our children have continued to surprise their teachers with their achievements. I have had so many children on Super Wow and it has been an absolute pleasure to hear them talk proudly about their work.

Our Big RE day was celebrated on Thursday of this week. The children learned about the Pentecost and the Holy Trinity. Using their new Bibles they were set different cross-curricular challenges. A huge thank you to Rev. Phillips for launching our RE day – I know that the children enjoyed asking him some really interesting questions. Remember to use our curriculum newsletter to help celebrate your child's learning.

The children are really excited about half term and they certainly deserve one. So I would like to wish everyone a happy and restful time.
