### A message from the Head of School...

Dear Parents and Carers,  
Another week has flown by taking us to only one more week left at school before we are all given the opportunity to rest, relax and recharge.

#### Harvest Festival

We would like to say a huge thank you to our local community for your kindness and generosity in supporting our Harvest Festival.

We celebrated with a special worship in school today- it would be safe to say that the children brought their singing voices with them!

The donations we received from yourselves were greatly appreciated and many thanks for your kindness and generosity.

#### Black History Month

Next week each class will learn about an inspirational person from a black heritage. As a class they will choose who they wish to learn about. Their work will then be presented in their new PSHE floor books. We will also be holding a special worship to celebrate Black History next week. This year we would like to set a family learning challenge. Please scroll down to see more details about the family learning challenge.

Thank you

Mrs Malster-Hinett

## Family Learning Challenge

HONORING THE PAST INSPIRING THE FUTURE

# BLACK HISTORY MONTH

*As we look forward to celebrating black history month this October, we hope that you will join in our family learning challenge. We are asking you to write a poem, design a poster, create a Powerpoint presentation or make a video about a person of black heritage who has inspired you. This can be anyone you like - a family member, an historical figure, someone famous or even a teacher!*

The challenge is very simple. Just tell us why that person is inspirational in your own way and submit your work to your class teacher by Friday 21st October. There will be prizes for the best entries and we will display all your work in school to help celebrate the Black History Month.

Keep Reading to see some inspirational people....

A Harvest Festival Prayer

Dear Lord,

Thank you for the farmers who grow crops, vegetables and fruit for us to eat. Help them as they harvest these crops in all kinds of weather.

We are thankful for the huge variety of food that we have to choose from and that we never have to go hungry. We are sorry if we sometimes waste food. Please help us to recognise that we are very lucky. We pray for all those across the world who are not as lucky as us and often go hungry.

We thank you for the people at Emmaus who come to collect our harvest gifts and make sure that they are given to people in need in our local community.

Help us to look after our world, to treasure all the things that we have and to play our part in making the world a safe and happy place for us and for the those who live in the future.

We praise you Lord.

Amen
