### A message from the Head of School...

Dear Parents and Carers,

It has been another busy week in school and the new term is certainly in full swing. I was impressed with Mrs Oliver's class when I taught them maths this week, they showed lots of enthusiasm along with amazing perseverance and resilience! I was also impressed when I visited Mrs Taylor's class and was blown away by their superb biography writing about Ernest Shackleton. Yesterday our F2 children showed me how much progress they have made with their phonics. By their smiles and their engagement, they clearly enjoy their phonics sessions.

### Updating Changes

If your child has a change in medical circumstances, please notify the school office as soon as possible so that we can keep our records up to date and ensure that all staff are aware of each child's conditions. It is also important that parents/carers keep the school updated of changes in contact details, especially mobile phone numbers, so that we are able to make contact with you in an emergency. It is important we have **4 emergency contacts** on our system.

Thank you,  
**Mrs Malster-Hinett**

## Collective Worship Values Awards

## Peace, Trust and Friendship

This week, two of our School Worship Squad Leaders, Linus Holbrook and Jacob Macpherson, were chosen to show a teacher round from Tockwith Primary Academy in York. Jacob and Linus were truly amazing – they shared their knowledge and understanding of the Christian distinctiveness that makes our church school so special and unique.

I personally would like to thank them both and I am sure that their parents are really proud of them.

## Prayer from the Senior Leadership Team

**“Let our children be the best they can possibly be.”**

Lord,

Bless each and every child’s academic skills and efforts.

We pray You would give each of them the desire to learn and the gift of knowledge.

Help them excel in their strengths while persevering in their weaknesses.

Do not let them become discouraged when they cannot grasp things with ease.

Instead may they appreciate and store up the knowledge they gain.

In the Lord’s name

Amen
