Welcome!

Jon Tucker, Interim Head of School

A warm welcome to all of our children and families for the start of Spring Term 2, and a happy World Book Day!

Although we have a relatively short term of only 4 more weeks ahead, there's a great deal going on around the school. After positive feedback from our Maths Morning, the main next step for us is to host more events, something we definitely look to act upon over the next term or so.

Our new school song 'Wonderfully Made by God' has been launched with lots of positive feedback. You can listen to it by clicking or scanning the QR code below!

Please check the last page for information regarding our Easter Service at St Aidan's Church.

Thank you as always for your support,

J. Tucker

Easter Egg Competition!

We are very excited to let you know that Alderman Cogan is holding an Easter Bonnet Competition!

You can enter for just £1 per bonnet, and it's a brilliant chance for your child to win an Easter egg. There will be one Easter egg prize for each year group, so everyone has a fair opportunity to win. The winners will be chosen based on effort, enthusiasm and creativity, so make sure your bonnet really stands out!

We can't wait to see all the amazing and imaginative bonnets being brought into school before the 27th of March, when the winners will be announced.

Good luck to everyone who takes part!

Year 2 visit Bridlington!

Year 2 enjoyed a trip to Bridlington this week to undertake some Geography research of Human and Physical features.

There were lots of smiles as the children enjoyed playing on the beach! A huge thank you to the parent volunteers who came to support with groups on the trip.

East Park Library Visits

By Mrs Findley, Nursery Lead

Tiny Steps and Nursery had a lovely visit to the East Park Library.

The children thoroughly enjoyed exploring the wide range of books and listening to stories read by the library staff.

During the visit, the children were registered with the library and received their very own library card and were shown how to use their cards to borrow books. The children were very excited to choose a book to take back to the nursery and then share at home with their families.

The nursery staff would like to also give a big thank you to all who volunteered for the trips.

Hull Brass hosted by Cogan!

By Jon Tucker, Interim Head of School

Children from Alderman Cogan's, Highlands, Marfleet, Maybury, Neasden, and Woodland schools continued their brass band rehearsals, working on "Shotgun" by George Ezra," and they even added some singing this time, which the group really enjoyed.

Mr Shaw from the Hull Music Service said, "It was great to see everyone again, and the improvement in just a short time has been brilliant.

The band is becoming more confident with each rehearsal.

Once again, all the pupils represented their schools superbly and brought a really positive atmosphere to the session. It's been fantastic watching them grow as a group and support one another.

Thank you to all the schools, staff, and children involved – your commitment is what makes the project such a success.
